

Orang-A-Tang

Multi-Use Solvent & Tar Remover

About this product

Orang-A-Tang is a powerful citrus-based degreaser formulated with a naturally derived solvent and biodegradable surfactants to dissolve tar, adhesives, ink, grease, gum, soot, and wax. Its advanced formula penetrates and emulsifies tough soils, ensuring easy rinsing and a residue-free finish. PFAS-free, phosphate-free, and free of synthetic fragrances, Orang-A-Tang delivers exceptional cleaning performance while leaving a pleasant citrus scent. It is safe for use on equipment, vehicles, carpets, and stone surfaces.

- **High-Strength Degreasing:** Tackles tar, adhesives, ink, grease, gum, and wax with ease.
- **Residue-Free Finish:** Emulsifies soils for simple rinsing without streaks or film.
- **Biodegradable Formula:** PFAS-free, phosphate-free, solvent-free, and free of synthetic fragrances.
- **Versatile Applications:** Safe for use on equipment, vehicles, carpets, and stone surfaces.
- **Pleasant Citrus Scent:** Leaves behind a fresh fragrance while delivering deep-cleaning power.

Dilution rates:

Light Duty Cleaning	1:120
Medium Duty Cleaning	1:40-1:80
Heavy Duty Cleaning	1:10-1:20
Glue/Adhesive Removal	Concentrate

**HIGH
STRENGTH
DEGREASING**

Suitable for

Construction and heavy equipment,
natural resource industries, and
transportation
