

Stainless Steel Cleaner & Polish Aerosol

Applications:

Dustbane's Stainless Steel Cleaner provides performance and gloss, with no excessive residue or hazing, no excessing buffer required. Shake well before use. Hold can upright, spray upwards 20-30 cm from surface to be polished. Spray as required, then wipe immediately with a clean, soft cloth. Apply directly onto cloth when polishing confined areas.

Ideal for use on:

- Hospitality: Keep your stainless steel surfaces gleaming in hotels, restaurants, and event venues to impress guests and maintain impeccable hygiene standards.
- Janitorial Services: Trusted by cleaning professionals, this cleaner is perfect for office buildings, commercial spaces, and institutions where cleanliness is paramount.
- Healthcare Facilities: Maintain the cleanliness of stainless steel surfaces in hospitals, clinics, and laboratories for a sterile and safe environment.

Features and benefits:

- Sparkling results
- High-quality formula
- User friendly application
- Reduced cleaning time
